

FESTIVAL OF MANY INVITATION

Over the last two years we have piloted and grown a business program for refugees called Boost. We have had nearly 100 referrals and supported dozens of people to start their business journey in various ways. Now we are very proud to invite you all to the first major event for the program... Festival of Many. The Festival of Many is an event to celebrate and share with the SA community the achievements of 20+ refugees and migrants who dared to start a business in a new country. It will be a day to celebrate their many hopes, dreams, cultures, business ideas and inspiring stories of courage and determination.

Join us for this multicultural event for the senses under the giant tipi at the McLaren Vale Visitors Centre. This is an open invitation for friends and family to come along, and to share among your colleagues and networks. The event will feature an Artisan Market including art, crafts, handmade gifts, sweet and savoury delights, workshops and traditional cooking master classes. Experience the authenticity and deliciousness of our Latin American and Middle Eastern food vendors and cultural entertainment.

After 6pm we transform the festival tipi to our twilight program with dancing and a whole lot of fun to celebrate the achievements of these New Australian businesses to the upbeat tunes from our inhouse DJ.
